

# ■ GAD Family — Whitepaper v2

## 1. Introduction

GAD Family is a blockchain-powered ecosystem designed for families. It combines safety, healthy habits, and transparent finance into a single platform. Our mission: build trust and empower families with tools for financial growth, everyday discipline, and long-term security.

Allocation	%	Details
App Treasury (Vesting)	50%	5-year vesting, 500B released every 6 months, used for app incentives
Launchpad	15%	PinkSale / DxSale public raise
Liquidity Pool	15%	Initial liquidity on PancakeSwap & future DEX integrations
Founder (Vesting)	10%	Team allocation with vesting schedule
Trust Fund (DAO)	10%	Grants, buyback programs, and DAO governance

## 2. Tokenomics

## 3. Smart Contracts & Farming

GAD Token (BEP20, BNB Chain)

MasterChef contract for liquidity mining

Active LP Pools:

- GAD–USDT (70% allocation)
- GAD–BNB (30% allocation)

Users can:

1. Add liquidity
2. Stake LP tokens
3. Earn \$GAD rewards
4. Harvest anytime

Reward schedule:

- Base reward per block: 16,534 GAD
- Bonus multiplier (x2) during first 30 days.

## 4. Airdrop Campaign ■

Total Airdrop: 1,000,000 \$GAD

100 winners, each receives 10,000 \$GAD

Requirements:

- Fill Google Form with BSC address
- Follow on Twitter & Discord
- Share & invite friends

Goal: build community, increase transactions, and expand network effects.

## 5. Roadmap v2

## 6. Disclaimer

Status	Milestones
■ Completed	Token deployment on BNB Chain MasterChef farming contract LP pools (USDT & BNB) live Website with Earn page & wallet connection Airdrop landing page
■ Upcoming	Aggressive marketing on Twitter, Discord, Reddit Listing on CoinGecko & CoinMarketCap Crowdfunding & Launchpad campaigns GAD Family mobile app with walk-to-earn + ToDo tasks DAO & Grant Fund activation CEX listing (Binance/KuCoin tier, long-term target)

DeFi is risky. \$GAD token is not an investment guarantee.

Rewards depend on LP participation and network usage.

Always double-check smart contract addresses before interacting.
